Public Hearing at 7:00 or as soon thereafter to hear all persons interested in the proposed Local Law to add Chapter 163 Governing Shopping Carts Owned or Controlled by Retail Establishments or other Businesses’, to the Town Code of the Town of Glenville.

First speaker:

My name is Pam Anton. I'm at 9 Charlton Rd. in Glenville. I've been after these carts for years. and so, my question is just how did they get notified? Like, can the person just be notified they're on notice?

Supervisor Koetzle: In a public hearing, we don't normally have a an answer question session. But if you want to list your questions, I'll try to address them when we bring up the

law. Because we're going to take it up later, I can explain if you have questions at that time so well, but if you want to give us your questions.

Ms. Anton: OK. Thank you. Now you answered them already.

Supervisor Koetzle: OK.

Ms. Anton: Actually, that's really it. How do they get notified and when does it start? Thanks.

Supervisor Koetzle: OK. You so are you just to be clear, are you are in support of the law?

Ms. Anton: Oh, absolutely.

Supervisor Koetzle: OK. Thank you, ma'am.

Second speaker:

Hi I'm Michelle McKeever, I actually am a director of customer service for Mark 32, Price Chopper in Glenville. I just had a couple of questions about the new law. Will you have a time frame for us to be able to retrieve shopping carts before we're considered in violation and how long that time frame is there going to be?

Supervisor Koetzle: So again, it's not a question and answer, but I'll address that whatever questions you have, if you want to ask them kind of like rhetorically, we'll address it when we bring up the law.

Ms. McKeever: OK, we're looking at time frame. How would we be able to find we do have somebody at our facility here in Glenville that is a property manager, that retrieves and returns carts daily at our facility in Glenville that returns them to other businesses. We do have a bus stop that's directly across from the store. So, they tend to be there at the bus stop throughout the day. But we do retrieve them throughout the day. So, the time frame of when we're not allowed to be there would definitely, we would like to know.

Supervisor Koetzle: Absolutely and for the record, I do want to say your store in particular has been most responsive to this issue and has cleaned up the issue more than any other store. So, I do appreciate that and again, we're not trying to be punitive, but some of the stores have not been particularly supportive in retrieving their carts.

Ms. McKeever: Yeah. We're part of the community, we strive ourselves to be you know part of the community and we want to be helpful just as long as anybody else.

Supervisor Koetzle: We appreciate that you've done, your store has done much better than the others. Thank you
