Supervisor Koetzle's 2019 Budget Message

My 2019 budget submitted to the Town Clerk on September 28th is a conservative spending plan which once again stays within the state imposed real property tax cap limit. **The Town of Glenville has stayed under the tax cap every year since it was implemented,** and we have done so without relying on gimmicks such as new fees on residents or the deferral of required payments to the state retirement system.

The overall proposed 2019 tax rate increase is 2.37%. A typical Glenville homeowner outside the village will see a total 2019 town tax bill increase of \$19 which covers all town items on the January tax bill: town general, town outside, highway, water, sewer, and all special districts. A typical village homeowner will see a 2019 increase of \$2. The proposed tax levy increase of 3.04% is below our New York State tax cap.

The 2019 budget will be the ninth consecutive budget in which we have reduced total fund balance (the town's savings) appropriation in the three main funds. In 2019, we will utilize a total of \$340,000 in fund balance appropriation across these main funds, a reduction of \$20,000 from 2018. When I was first elected Supervisor in 2010, we inherited a budget that used almost \$1,400,000 in fund balance appropriation for these three funds. I am proud that we have now cut our reliance on fund balance appropriations by over 75% in the past 9 years. We expect to reduce our fund balance appropriation again in the 2020 budget as we near the elimination of using fund balance for operations.

We will also continue to avoid unnecessary borrowing, in keeping with the philosophy which has seen us reduce the overall Town debt load from \$23.1 million in 2010 down to \$13.8 million at the end of 2018. This proposed budget will result in a further net reduction of \$811,000 so that by the end of 2019 we will have paid off more than \$10 million in debt in just nine years. As with fund balance appropriation, we anticipate a further reduction in the town's overall debt load in the 2020 budget.

In recent years, even while aggressively paying down debt, we have made significant investments in town infrastructure, personnel and equipment. Some examples include the installation of new automatic-read water meters, purchase of the historic Yates Mansion, installation of street lights and sidewalks throughout Town Center, building the Andersen Dog Park, replacement of aging DPW and Parks equipment, improvement of the roads and playing fields in Indian Meadows Park, and the addition of a second entrance at Maalwyck Park. The 2019 proposed budget includes completing the job of upgrading Maalwyck Park by investing \$560,000 to add a pavilion, restrooms, concession stands, a playground, an educational and cultural display, and complete electric, water, and sewer services.

Other noteworthy items in the 2019 budget include:

- **Adding additional staff to meet our growing needs.** The 2019 budget funds a new full-time Highway laborer position, a new year-round part-time Parks laborer position, and a new police officer position for inclusion in the July police training academy. The budget also increases the hours for the Deputy Town Clerk position to 25 hours per week.
- **Adding dedicated grant writer/grant administrator services.** As the Town's needs have grown while our sales tax revenues have remained flat, we have become increasingly active in applying for grants and have been successful in being awarded many large grants. These grants, however, come with a significant amount of reporting and paperwork which is time consuming and overburdens our staff. The 2019 budget includes funding to contract out some of the grant administration functions to a third party.
- **Continuing to provide our Police department with the tools they need.** The 2019 budget includes funding to pay cash for one marked pickup truck, one marked car, one unmarked car, and a second roadside speed/messaging board. Funding is also included for additional tactical shields and new ballistic protective vests as part of our multi-year replacement plan to upgrade these items for our officers.
- **Continuing to upgrade our DPW and Parks equipment.** The 2019 budget will fund a new commercial mower for Parks; new one-ton trucks for the Highway and Water departments; and a new leaf machine, roadside mower, street sweeper, and remote-controlled slope mower for Highway. We will also upgrade the flood lights and electric panel at the ice rink and pave the rest of the baseball parking lot at Indian Meadows Park.
- **Additional investment in the restoration of Yates Mansion.** The 2019 budget includes \$72,000 to help restore this piece of Glenville history.

Additionally, in 2019 the Town Board and I will continue to strongly advocate for Glenville's fair share of sales tax revenue. From 2003 to 2017, the amount of annual sales tax revenue received by the Town of Glenville grew by only \$275,000 - a total increase of only 11% over 14 years. During that same time frame, Schenectady County increased its own sales tax revenue by 83%, from \$37 million to \$68 million per year. Glenville, like the other towns and villages in the county, has been forced to make due with basically flat sales tax revenue for a decade and a half while watching the county government consume an extra \$31 million in annual sales tax revenue. This is grossly unfair to our residents. Working with the Town Board, I will continue to press on this important issue until Schenectady County legislators agree to provide Glenville, and all towns and villages, with our fair share of sales tax revenue.

This tentative 2019 budget is fiscally sound, operationally effective, and fair to all. We will again stay within the tax cap, invest in our community, and make significant progress in creating a long-term, sustainable economic base for town residents. I offer my thanks to the Town Board, the Town Comptroller, the Highway Superintendent, department heads, our employee unions, and the entire town staff for their hard work on this budget and for helping this Town Board create and maintain a fiscally strong foundation for the people of Glenville.
