Supervisor Koetzle's 2024 Budget Message

My 2024 budget submitted to the Town Clerk on September 29, 2023 is a conservative spending plan which once again stays within the state imposed real property tax cap limit. **The Town of Glenville has stayed under the tax cap every year since it was implemented,** and we have done so without relying on gimmicks such as new fees or the deferral of required payments to the state retirement system.

The overall proposed 2024 tax rate increase is 0.90%. The overall proposed tax levy increase is 2.00%, which is below our New York State tax cap limit. A typical Glenville homeowner, either inside or outside the village of Scotia, will see a 2024 town tax bill increase of \$6. Even with this modest increase, the Town tax bill for village residents in 2024 will be exactly the same as it was in 2020. For Glenville residents outside the village, the average 2024 tax bill will be just \$5 more than it was in 2020. That's a cumulative increase of only 0.65% over the past 4 years.

I am very proud that we have been able to hold taxes flat for the past 4 years despite the highest inflation levels in decades. Our long-term planning has resulted in healthy fund balances that enable us to make significant investments in Glenville without jeopardizing our financial future. These investments will continue in 2024. After years of planning and collaboration with various regional and state agencies, major construction is due to start on the Freemans Bridge Road corridor. The total cost for the installation of sidewalks, multi-use paths, and overall beautification is estimated at \$5 million. Of this amount, \$3.8 million will be paid by grant funding. The balance of \$1.2 million will be paid through dedicated capital reserves that we have saved over recent years thanks to our prudent fiscal management.

Next year will also see us address in earnest the much needed upgrades to our water plant and water distribution system. We expect the engineering and design portion to be completed by summer 2024 with construction and capital improvements to begin shortly thereafter. Our water plant was constructed in 1965 and is showing its age, particularly with the growth in Glenville in recent years. Upgrades will include modernizing the water plant with new well pumps and high lift pumps, upgrading electrical and HVAC systems, replacing the existing piping and valves, and replacing the existing elevated slab. These improvements will mark the first major upgrades to the water plant in 20 years and will position us to serve Glenville residents, as well as outside customers such as the towns of Charlton, Ballston, and Clifton Park, for decades to come. Initial estimates place the cost of these improvements in the range of \$5.5 million.

In 2024, we will also complete the switchover of the Glenville Business & Technology Park water service from Scotia to Glenville. This \$1.4 million project will provide better water flows to some of the largest employers in the Town at a lower rate than they are paying now. This economic development initiative is also benefiting from grant funding of \$273,000 as well as the planned usage of \$200,000 in federal ARPA funds.

The capital budget also includes a placeholder of \$7.5 million for the renovation or replacement of Town Hall. The true cost may prove higher or lower but having this line item will ensure that the project remains front and center for the Town Board in 2024.

Other noteworthy capital projects included in the 2024 budget include the Van Buren Road Pedestrian Path, which includes significant grant funding of \$610,000, that upon completion will link Town Center to the Andersen Dog Park and Indian Meadows Park via a walking path, funding for an amphitheater/concert shell at Legacy Park, the paving of roadways and parking lots across Town parks, and replacement of the roof at the Senior Center. The town will also provide community development funding to the Empire State Aerosciences Museum (ESAM) for window replacement and purchase of an ADA compliant speaker system for hearing impaired visitors.

Our financial stability has also provided us with the ability to increase staffing when required. In the past few years, we have added four new police officer positions, added staff in the highway and parks departments, created a full-time Commissioner of Public Works position, and increased staffing in the Town Clerk's office and the Senior Center. These new positions were all put in place to better serve our residents. We will continue this practice in 2024 by adding a new full-time Code Enforcement Officer and a Deputy Commissioner of Public Works. The new Code Enforcement Officer will replace a part-time position that has proven difficult to fill. As Glenville continues to grow, our building and codes staff has been stretched thin trying to keep up with mandatory inspections. This new full-time position will allow us to provide more flexibility for our residents and ensure that all building projects meet state and town safety requirements. Our new Deputy Commissioner of Public Works is also needed in response to our continued growth and the major projects now underway or planned for the near future, including the water plant improvements. As with the Commissioner of Public Works, the Deputy position will require an engineering license and will help oversee all aspects of Water, Sewer, Parks, Facilities, and Highway operations.

In closing, I am proud that our hard work for the past 14 years has put us in a position to move Glenville forward while providing tax stability to all Glenville and Scotia residents. The 2024 tentative budget is fiscally sound, operationally effective, and fair to all. We will, as always, stay within the tax cap, invest in our community, and make significant progress in maintaining a long-term, sustainable economic base for town residents. I offer my thanks to the Town Board, the Town Comptroller, the Police Chief, the Commissioner of Public Works, the Highway Superintendent, department heads, our employee unions, and the entire town staff for their hard work on this budget and for helping this Town Board maintain a strong fiscal foundation for the people of Glenville.
