**Use Variance
Recommendation to the

The landowner is seeking approval for re-establishment of a dental practice in a building that was formerly used as a dentist office. The building/property has lost its nonconforming status due to it having been vacant for more than a year, so a use variance is now required. The property is located on the south side of Lakehill Drive, approximately 300 feet east of the northern property line of the Richard O'Rourke Middle School. The property is zoned *Suburban Residential*.
