## **Items to be discussed:**

1. Discussion with representatives from Upstate CBD in relation to the request for the town to opt into cannabis retail sales and consumption lounges.
2. Update on the town's progress toward moving certain water districts within the town from the village water systems to the towns.
3. Update on the town's efforts to construct a sidewalk within Alplaus and on Lake Hill as part of the town's Climate Smart grant funding.
