Re: **National Drug Take Back Day April 28, 2018 10-2pm**

On Saturday, April 28, 2018 from 10:00 a.m. to 2:00 p.m. the Town of Glenville Police Department will be participating with the National Prescription Drug Take Back Day which aims to provide a safe, convenient and responsible means of disposing of prescription drugs, while also educating the general public about the potential for abuse of medications.

The Drug Take Back Day is done in conjunction with the United States Drug Enforcement Agency and has been very successful in the past. The collection of prescription drugs will be held outside the Police Department located at 18 Glenridge Road.

Any questions about Saturday's event may be directed to the Glenville Police Department Chief's Office at 518-384-0123. You will be able to drive up to the site in a vehicle and turn over items for destruction without exiting your vehicle.
