You don't need to have a natural flair for language learning. Learning a few key phrases and being able to use them is a great start. And **German isn't as hard** (<https://www.iwillteachyoulanguage.com/learn/german/german-tips/is-german-hard-to-learn>) as its reputation suggests, especially for native English speakers.

You never know, maybe learning these phrases will motivate you to go on and learn to speak German fluently.

**Note:** Want to go beyond basic German phrases and learn German with confidence and fluency? The best way to do so is by working through a comprehensive and well designed course.
