RESOLUTION NO. 8-2022

Moved by: Councilman Martin
Seconded by: Councilman Ramotar

WHEREAS, the Town Board of the Town of Glenville established a Fund Balance Policy for the Town of Glenville based upon best practices recommended by the Office of the State Comptroller and the Government Finance Officers Association; and

WHEREAS, said policy requires an annual review by the Town Board;

NOW, THEREFORE, BE IT RESOLVED, that the Town Board of the Town of Glenville hereby ratifies the Town of Glenville Fund Balance Policy for the year 2022:

TOWN OF GLENVILLE FUND BALANCE POLICY

A. Purpose

For increased financial stability, the Town of Glenville (Town) desires to manage its financial resources by revising the fund balance policy for the General Fund and all Special Revenue Funds that are legally mandated to be kept separately (i.e., Town Outside the Village, Highway, Water, Sewer, etc.). This will ensure the Town maintains a prudent level of financial resources to protect against reducing service levels or raising taxes and fees because of temporary revenue shortfalls, unexpected one-time expenditures, emergencies or disasters. In addition, this Policy is to be adopted to promote compliance with GASB Statement 54.

B. Background

The Governmental Accounting Standards Board (GASB) issued GASB Statement Number 54 (Statement 54), *Fund Balance Reporting and Government Fund Type Definitions*. Statement 54 abandons the reserved and unreserved classifications of fund balances and replaces them with five new classifications: non-spendable, restricted, committed, assigned and unassigned. The latter three classifications comprise the unrestricted fund balance.

In April 2011 the Office of the State Comptroller (OSC) issued updated guidance on Fund Balance Reporting and Government Fund Type Definitions. The guidance addressed how the changes in GASB 54 were implemented in the Annual Update Document and the effects on local government reporting.

Chapter 528 of the Laws of 2000 gives local governments the authority to carry over a “reasonable amount” of unappropriated unreserved fund balance from one year to the next. This policy establishes the percentage that the Town of Glenville considers the “reasonable amount” for each class of fund and redefines the terminology set forth in Chapter 528 to be in compliance with GASB 54.

C. Definitions

1. Fund Balance - Consists of the measurement of available resources and represents the difference between total assets and total liabilities.
2. Non-spendable - Amounts that cannot be spent because they are in a non-spendable form or legally or contractually required to be maintained intact.
3. Restricted - Amounts that are subject to externally enforceable legal purpose restrictions imposed by certain creditors (debt covenants), grantors, contributors, or laws and regulations of other governments; or through constitutional provisions or enabling

legislation.

4. Committed (Unrestricted) - Amounts constrained to specific purposes by a government itself using its highest-level decision-making authority (Town Board). The amount to be committed may be determined subsequent to the date of the commitment. The Town Board must take formal action before the end of the fiscal year to add or remove a constraint.

5. Assigned (Unrestricted) - Amounts that are subject to a purpose constraint that represents an intended use established by the government's highest-level decision-making authority (Town Board), or by the Board's designated body or official. The purpose of the assignment must be narrower than the purpose of the general fund. In funds other than the general fund, assigned fund balance will be the residual amount of fund balance.

6. Unassigned (Unrestricted) - All balances remaining after considering the other four categories for the general fund and could result in a surplus or a deficit. Use is least constrained in this category. In funds other than the general fund, the unassigned classification should only be used to report a deficit balance.

D. Examples of Classification

1. Non-spendable (all funds)

- Prepaid New York State Retirement Contributions
- Prepaid Insurance
- Inventories

2. Restricted (Reserves)

- Capital Reserves
- Debt Reserves
- Repair Reserves
- Other reserves allowed by State statutes

3. Committed (Unrestricted)

- NYS OSC believes that in most cases, local governments will not have committed fund balances to report primarily due to the fact that reserves are allowed by State Statute.

4. Assigned (Unrestricted)

- NYS OSC believes that formal actions by the governing boards (resolutions, ordinances, and local laws) constitute a constraint of resources and will result in assignment of resources.
- Encumbrances, when used, will result in an assignment of fund balance.
- Appropriation of Unassigned Fund Balance to future periods.

5. Unassigned (Unrestricted)

- All other unassigned fund balances

E. General Policy

1. Reserves

- a. The Town shall strive to maintain a level of reserves to guard its citizens against a service disruption as reserves are essential to dealing with unforeseen emergencies or changes in condition.
- b. Funding of reserves can come from surplus funds (excess of revenues over expenditures or one-time revenues) or other sources as designated by the Town Board.
- c. All expenditures from or uses of reserve will require prior Town Board approval by adoption of a Use of Reserve Resolution.
- d. Reserves shall only be used for the purpose in which they are intended.

2. Fund Balance Policy and Procedures

- a. The unassigned (unrestricted) fund balance range for the General Fund shall not be less than 15% and not more than 25% of the total adopted budgeted

expenditures of the Fund.

- b. The assigned (unrestricted) fund balance range for the Town Outside the Village Fund, Highway Fund, Sewer Fund, and Water Fund shall not be less than 15% and not more than 25% of the total adopted budgeted expenditures of the Fund. For the Sewer Fund and Water Fund, the minimum and maximum levels shall apply only to individual Sewer or Water Districts with an assigned (unrestricted) fund balance of at least \$100,000.
- c. The assigned (unrestricted) fund balance range for the Fire District #4 Fund, Drainage Fund, Lighting Fund, and Park Fund shall not be less than 15% and not more than 25% of the total adopted budgeted expenditures of any District within these Funds. The minimum and maximum levels shall apply only to individual Districts with a minimum assigned (unrestricted) fund balance of at least \$100,000.
- d. The Town Supervisor or his designee shall annually calculate and verify the Town's compliance with this policy. In determining compliance, the following formula will be used: the audited balance available in the unassigned (unrestricted) [General Fund only] or assigned (unrestricted) fund balance of the Town's Funds for the most recently audited fiscal year, divided by the adopted expenditure budget for the ensuing fiscal year for each of the Town's Funds.
- e. The Town Supervisor or his designee shall report annually to the Town Board the results of the calculation and make recommendations for the use of funds in the event of a surplus or the replenishment of funds in the event of a deficit.
- f. Surplus: In the event the unassigned (unrestricted) / assigned (unrestricted) fund balance of any of the Town's funds exceed the maximum requirements, the excess may be utilized for any lawful purpose approved by the Town Board. In order to minimize the long-term effect of such use, the excess shall be appropriated to fund one-time expenditures or expenses which do not result in recurring operating costs, or other one-time costs including the establishment or increase in legitimate restrictions (reserves) of fund balance.
- g. Deficit: In the event the unassigned (unrestricted) / assigned (unassigned) fund balance for the Town's funds falls below the minimum requirement for any fiscal year, the Town Supervisor or his designee shall prepare and submit to the Town Board a plan to restore the balance to the minimum target level in the next budget year or other appropriate period of time.

3. Application of Funds

In instances where expenditures are incurred that will require the funding sources to be comprised of two or more types of fund balance categories, the order of exhaustion of the fund will be as follows:

1. Restricted
2. Committed
3. Assigned
4. Unassigned

F. Review

This Policy will be presented by the Town Supervisor annually at the Organizational Meeting of the Town Board for review and adoption.

Supervisor Koetzle: We will take a quick pause here as we do the swearing ceremony. Supervisor swears Julie Davenport in as Town Clerk.

Julie Davenport: I want to say that I appreciate the support from the Town Board and you Chris as Supervisor, it means a lot to me I'm very honored. I been Deputy Town Clerk for six and a half years and it's been a true privilege working at the Town, serving our resident and our community. When you mentioned what we did during Covid, that was an amazing experience and I was so proud to be a part of it. It was such a pleasure to help people who were in a very scary situation like the rest of us were. So, I would just like to say thank you. I would also like to thank Jason (Cuthbert), who has been a tremendous support to me and I really appreciate the support that you given me these last few months, kind of like me being my dot my I's cross me t's person. So, thanks Jas.

I look forward to fulfilling this position, it's an important position. You know that I feel very passionate about it and I'm honored to have the opportunity to continue to work at the Town, I love everybody that I work with and I just want to say thank you.

Finally, to my husband and of course my boys who aren't here. Babe, I couldn't ask for a better person in my life, these past 40 years have just been amazing and I'm so glad that you support me. I just want to say I love you and thank you.

Councilwoman Wierzbowski: This resolution should it pass would appoint Janson Cuthbert as Town Comptroller for the period of January 1, 2022 – December 31, 2023, with other terms of his employment unchanged. I would just like to add Jason I think you've done a fantastic job for the Town and for the residents. You've been very innovative and resourceful, your guidance has allowed us to do things for the residents of this town, maintain and improve services for them over the years. Its often a job that is thankless and may feel very much like people don't understand all the moving pieces that you touch every day. I do understand and I want you to know that I thank you for your time with us, I thank you for your service. We really would be lost without you.

Supervisor Koetzle: I want to share those feelings. I do get the chance to work with you every day and when I talked about earlier, you weren't here for it. I did mention we were able to get a tax cut, were able to slash our debt, protect our fund balance all those things that we are able to do for the residents of the Town of Glenville. By and large is the work that you do each and every day. I've had an opportunity to work with a couple comptrollers and its night and day. Where this town has been is largely due to the contributions you've made to make sure that we are in a position that is solid and safe. I do want to thank you and we really appreciate all the work that you do on behalf of the town.

Councilman Martin: I just want to chime in too. As Jason knows I can be a little bit of a numbers guy myself sometimes and he does wonderful work. I've had the opportunity to work with officers and comptrollers through communities in the region the skill set that Jason brings to this position is actually remarkable. It's truly a privilege to work with him and a lot of the benefits that this government operates under are the results of his hard work through the years and I appreciate the work that he does.

Councilman Godlewski: Just to add to everyone's sentiments; Jason is an extraordinary asset to our town and knows the numbers in side and out. Our residents and us board members benefit as the result of his expertise. So, thank you.

Councilman Ramotar: I had the chance Jason, to work with you for a year and a half before I left, out side of the numbers and everything else I think the way that you portray your message is something that is appealing. So, I like that. I looking forward to working with you for the next four years and beyond.
